The Discovery Center  
will be open 10:00-4:00  
Friday, Saturday, and Sunday

**Reptile Encounter:** All are invited to the Discovery Room to learn about some of our fascinating and gentle reptile ambassadors. Great for all ages!

**Extreme Makeover: Park Edition:** Join our park staff as we honor Earth Day by cleaning up around the park! We'll be beautifying the park and keeping the local wildlife safe by removing litter along a 1-2 mile interpretive walk.

**Ramp Cook-Off:** Spring is here, can you smell it? Our annual Ramp Cook-off is back for its 21st year! Bring your favorite ramp dish and compete to see who will be 2024's winner! Sampling is open to the public after judging has been completed.

**Hungry Critters:** Its chow time! Join our Discovery Center critters for lunch as our Naturalists give everybody their meals and explains some of their natural feeding habits.

**Creek Crafts:** Meet our Naturalists in the Discovery room to create some educational fun with a new craft each week!
